

**EXPRESS MAIL NO.: EV475141189US**

**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**

Application of:	Ling Yuk CHEUNG	Confirmation No.:	8785
Application No.:	10/625,092	Art Unit:	1651
Filed:	July 22, 2003	Examiner:	Srivastava, Kailash C.
For:	BIOLOGICAL FERTILIZER COMPOSITIONS COMPRISING SWINE MANURE	Attorney Docket No.:	6100-066-999

**INFORMATION DISCLOSURE STATEMENT  
UNDER 37 C.F.R. § 1.56 AND § 1.97**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the United States Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application which are or may be material to the patentability of any claim of the application, Attorneys for Applicant respectfully direct the Examiner's attention to references A01-A26, B01-B23, and C01-C26 listed on the attached revised PTO-1449 Form entitled "List of References Cited by Applicant."

The above-identified application claims priority under 35 U.S.C. § 120 to U.S. Patent Application No. 09/796,819 ("the '819 application"), filed March 1, 2001, now U.S. Patent No. 6,596,273, issued July 22, 2003. Pursuant to 37 C.F.R. § 1.98(d), the Examiner is directed to the file of the '819 application for copies of references A01-A17, B01-B16, and C01-C21. Copies of references A18-A26, B17-B23, and C22-C26 are submitted herewith.

Identification of the above-listed references is not to be construed an admission of Applicant or Attorneys for Applicant that such references are available as "prior art" against the subject application.

Applicant respectfully requests that the Examiner review the listed references and that the references be made of record in the file history of the application.

Pursuant to 37 CFR § 1.97(b), since it is believed that this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits, no fee is due in connection herewith. However, should the United States Patent and Trademark Office determine otherwise, please charge the required fee to Jones Day Deposit Account No. 50-3013.

Respectfully submitted,

Date: October 13, 2004

Laura A. Coruzzi 30,742
